

Congratulations to this week's winners!

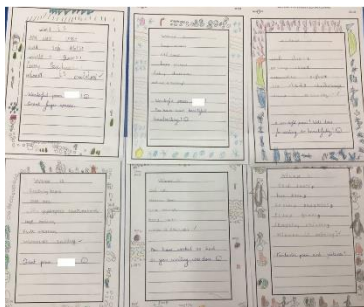

Hatherley News

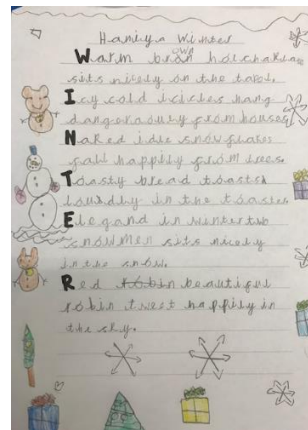

Foxcubs have been very busy this week! We have been making bridges to trip trap over like the 3 Billy Goats Gruff and have also been blowing some amazing bubble art in our creative area!

This week **Badgers** have been creating their own BeeBot mats to use when giving our BeeBots instructions. This one is the theme of 'School'!

In **Moles** class, we have been learning a winter poem and have even written one of our very own! We used adjectives to describe what we might see in winter and performed them to the rest of the class. They were wonderful!

In **Squirrels**, we have been writing descriptive poems about winter. We had to use nouns, adjectives, verbs and adverbs to bring winter to life. Then, we performed our poems to each other using lots of expression!

In **Rabbits** we have been learning to read and write a list poem. Our poem is called "Winter is" After learning the poem we had a go at planning and writing our own Winter list poem.
